Tim –

I understand that the Trump Organization has delivered to you our supplemental package and I wanted to follow up and send to you CGI's Proforma for the asset. This document was generated based on the strong collaboration that we have had with Hilton. I also understand that you and your team spoke to the Trump team about different ways you might be able to get comfortable with how we can make further disclosure about our own process in betting our investors. I am currently working through that with CGI and we expect to come back to you shortly on that. I also understand that Trump will be sending to you a redacted version of our purchase and sale agreement which we told them we were fine with sharing with you. Finally, we expect to be able to send to you an updated "PIP" sometime early next week as we are currently finishing that with Hilton.

Please feel free to reach out directly to us with any additional questions you may have on any

of these materials and if we don't speak we hope you have a great holiday!

Tim –

I understand that the Trump Organization has delivered to you our supplemental package and I wanted to follow up and send to you CGI's Proforma for the asset. This document was generated based on the strong collaboration that we have had with Hilton. I also understand that you and your team spoke to the Trump team about different ways you might be able to get comfortable with how we can make further disclosure about our own process in betting our investors. I am currently working through that with CGI and we expect to come back to you shortly on that. I also understand that Trump will be sending to you a redacted version of our purchase and sale agreement which we told them we were fine with sharing with you. Finally, we expect to be able to send to you an updated "PIP" sometime early next week as we are currently finishing that with Hilton.

Please feel free to reach out directly to us with any additional questions you may

have on any of these materials and if we don't speak we hope you have a great holiday!
